

THINGS TO DO IN THE CITY

Below you will find a list of activities and transportation options.

Transportation:

Public transport is limited so we recommend the option of renting a car, however services like Uber or Lift work very well in the city and could be very useful for you.

Beaches:

Miami has beautiful beaches and a coastline with crystal clear waters for you to enjoy. These are the nearby beaches that might interest you.

South Pointe Beach- This beach is wonderful, during weekdays it is great and on weekends we recommend going early in the morning since after 12 pm it is usually quite crowded. This beach has 2 attractions that are: South Pointe Park and South pointe park pier.

Miami Beach - South Beach This beach is located in the heart of Ocean Drive, a boulevard which you will enjoy walking and enjoying the beach atmosphere of Miami. Like South Point we recommend going early as they are usually very crowded places.
